Wed Nov 24, 1937 Just after Norman got up to build the fire, Laurel came after me to go down, Ida was sick. After I got there, he had to go to Orient to telephone for Dr. Curtis. They came after a time and there was born a little still born baby girl. We dressed and made it look as well as we could and put it in a little while covered box and John & Laurel took it in the p.m. to the cemetery and buried it in the family lot.

Thu Nov 25, 1937 I came home the night before and left Laurel to take care of Ida. We brought her down to the

front room where she would be warm and easy tended. Laurel came after me in morning. Ida had not got along fine during night, but Bea was in bed and could not move without pain. I doctored her and put hot water bottle to pain, took care of Ida and Helen & I did the work.

Fri Nov 26, 1937 When I went down Bea was a little better, but still unable to get out of bed. I waited on Ida myself and Helen and I waited on Bea and did the work. Got along real well. Ida feels real well.

Sat Nov 27, 1937 Bea was around some. I was down to take care of Ida and help what I could. Helen did most of cleaning.

Sun Nov 28, 1937 I went down in morning. Laurel has been taking me and bringing me home. Changed Ida's clothes and bedding, we listened to two sermons on radio. Bea was around. Ida did not rest very well through day. I came home early. Laurel could take care of her.

Mon Nov 29, 1937 I was home most of day and made mince meat. Laurel was home and did the washing with Helen's help and Bea to tell them what to do.

Tue Nov 30, 1937 I went down in morning. Vivian Buckingham and Tressa Farrell were there before me. Vivian cooked cookies and Tressie stayed in room with Ida. We had three men from camp for dinner. I let Ida sit up in chair a little while. I came home

early. Laurel took load of wood to Houlton.

Wed Dec 1, 1937 Laurel hauled hay for Frank Way. I went down in p.m., let Ida sit in chair and knit a little while. Edith Graham and Arlene and her children were there in afternoon, and Jennie for all day.

Mon Dec 20, 1937 Bea & Ida went to Houlton to do Christmas shopping. Norman went also. Carl cut up my pig's head and I made head cheese.

Tue Dec 21, 1937 Wilfred Price brought 4 men with him and took down

the store house they had at the Logan and put it all on one truck and took it to St. Croix. Norman worked with team hauling lumber from Logan. I went to town with Laurel on truck, called on the Lydic's and Josie. Talked a few minutes with Bertha Clark.

Wed Dec 22, 1937 Cleaned house and cooked some getting ready for Christmas.

Thu Dec 23, 1937 Finished cleaning up house and put up trimmings for Christmas and finished gloves for Helen. Cooked some.

Fri Dec 24, 1937 Finished my cake, cooking, cooked bread, wrapped up all my Christmas parcels and got my fowls ready for the oven and in evening Villa and I walked down to Bea's to see the Christmas tree & trimmings.

Sat Dec 25, 1937 Christmas morning. I am up around early to get everything ready and go down to Bea's to see the tree unloaded. I expected them all up here for dinner. I stayed until after we heard the King speak over the radio, then we all came up here for dinner. Mrs Frank Patterson died sometime before morning at her home in Forest City, NB.

Sun Dec 26, 1937 Stormy all day. Have been in house all day. Carl & Melvin Buckingham called in afternoon. Vivian & Melvin walked to town. We had no SS. Mrs Patterson's funeral to place in afternoon.

Mon Dec 27, 1937 We washed in forenoon. I was up to Jennie's awhile

in afternoon. I worked on two aprons and got them finished so I could wear them.

Tue Dec 28, 1937 I made an apron for Villa which she had cut out. Mrs Harvey came in afternoon and stayed to tea and while she was here, I finished footing a sock.

Wed Dec 29, 1937 Doing general house work. Clarence Buckingham called awhile after dinner.
